1. EXECUTIVE SUMMARY

Life Insurance Corporation of India (LIC) is the largest life insurance company in India and one of the largest in the world by policy count. Established in 1956 through the Life Insurance Corporation Act, LIC has been the dominant player in the Indian life insurance market for over six decades. As of 2026, LIC has over 250 million active policies and a market share of approximately 60% in the life insurance segment.

LIC's Product Philosophy:

- \* Universal Life Insurance: LIC's mission is to provide life insurance protection to all segments of society, particularly the rural and economically weaker sections.
- \* Savings + Protection: Most LIC products combine life cover with savings/investment, making them dual-purpose financial instruments.
- \* Guaranteed Returns: Traditional plans offer guaranteed sums assured plus bonuses, providing certainty of returns.
- \* Wide Distribution: With over 2,000 branches, 40+ lakh agents, and extensive digital presence, LIC reaches every corner of India.
- \* Trust & Security: Backed by the Government of India, LIC policies carry sovereign guarantee on the sum assured.

## 14. PREMIUM PAYMENT OPTIONS

LIC offers multiple premium payment modes to suit the convenience of policyholders. The frequency of premium payment can be chosen at the time of policy inception in most plans.

| Payment Mode          | Frequency         | Availability   | Benefits                                              |
|-----------------------|-------------------|----------------|-------------------------------------------------------|
| Yearly                | Once a year       | All plans      | Convenient, less frequent payments, slight discount   |
| Half-Yearly           | Twice a year      | All plans      | Balanced frequency, moderate convenience              |
| Quarterly             | Four times a year | All plans      | Higher frequency, suitable for salaried individuals   |
| Monthly               | Every month       | Most plans     | Most frequent, ideal for salaried, ECS/NACH available |
| Single                | One-time          | Specific plans | No future payment worry, higher initial outlay        |
| Limited Pay           | 5/8/10/15 years   | Specific plans | Pay during earning years, cover continues             |
| Salary Savings Scheme | Monthly deduction | Group plans    | Employer deducts from salary, hassle-free             |
| Online Payment        | Any frequency     | All plans      | Pay from home, instant confirmation                   |
| ECS/NACH              | Monthly/Quarterly | All plans      | Auto-debit from bank, no missed payments              |
| Payment through App   | Any frequency     | All plans      | LIC Pay app, quick and easy                           |

### Important Notes on Premium Payment:

- \* Premium payment grace period: 30 days (15 days for monthly mode). Policy lapses if premium is not paid within grace period.
- \* Late payment interest: 8% per annum (simple) for delayed premium payment beyond grace period.
- \* Auto-cover continuation: If premium is not paid within grace period but policy has surrender value, cover continues as Extended term insurance.
- \* Revival of lapsed policy: Can be revived within 5 years from the date of first unpaid premium by paying all arrears with interest.
- \* Premium rebates: LIC offers rebates for higher sum assured (SA rebate) and for yearly/half-yearly payment modes.
- \* GST on premium: Currently 18% for first year and 4.5% for renewal premiums on life insurance plans.
- \* Premium calculator available on [licindia.in](https://licindia.in) for accurate premium estimation.

## 15. CLAIMS PROCESS OVERVIEW

LIC has a streamlined claims settlement process. The claim settlement ratio of LIC has consistently been above 98%, one of the highest in the industry. Here is an overview of the claims process for different types of claims.

### A. Death Claim Process:

- \* Step 1: Intimation - Nominee/legal heir informs LIC about the death of the policyholder through any channel (branch, online, call center).
- \* Step 2: Document Submission - Submit claim form, death certificate, policy document, ID proof, bank details, and other required documents.
- \* Step 3: Document Verification - LIC verifies all submitted documents. May require additional documents if needed.
- \* Step 4: Investigation (if required) - For early claims (within 3 years) or high value claims, LIC may conduct investigation.
- \* Step 5: Claim Settlement - Upon satisfactory verification, LIC settles the claim within 30 days of receipt of all documents.
- \* Step 6: Payout - Amount is credited to the nominee's bank account through NEFT/RTGS.
- \* Required Documents: Claim Form (Form 3783/5444), Death Certificate (original), Policy Bond, Nominee ID Proof, Bank Account Details, PAN Card, Relationship Proof.
- \* Claim Settlement Ratio: 98.62% (FY 2024-25)
- \* Claims pending beyond 30 days earn interest at 10% per annum.

### B. Maturity Claim Process:

- \* Step 1: Discharge Form - Policyholder fills the discharge form (Form 3801) available at branch or downloadable from website.
- \* Step 2: Submit Documents - Submit original policy bond, discharge form, ID proof, and bank account details.
- \* Step 3: Pre-payment verification - LIC verifies policy status, premium payment, loans, assignments.
- \* Step 4: Payment - Maturity amount is credited to policyholder's bank account on the due date.
- \* Auto-Maturity: LIC now auto-credits maturity proceeds to the registered bank account.
- \* Option to defer: Policyholder can opt to defer maturity and keep funds with LIC earning interest.

### C. Survival Benefit / Money Back Claim:

- \* Auto-credit: Survival benefits are auto-credited to the registered bank account on the due date.
- \* Cheque mode: If bank details not registered, cheque is dispatched to the policyholder's address.
- \* Policyholder can opt for accumulation: Keep the survival benefit with LIC earning interest.
- \* Partial withdrawal: Available in some plans for specific purposes.

### D. Loan Claim Process:

- \* Policyholder can apply for loan after 3 years of premium payment (or as per plan terms).
- \* Loan application can be submitted online through LIC portal or at any branch.
- \* Maximum loan: Up to 90% of surrender value (85% for paid-up policies).
- \* Interest rate: Currently 10% per annum (simple), subject to change.
- \* Loan repayment: Can be repaid anytime during the policy term. Unadjusted loan with interest is deducted from claim amount.
